Stoner® A497

Non-Flammable Cleaner For Molds

Product Description

Stoner® A497 Non-Flammable Cleaner For Molds contains powerful cleaning agents to remove grease, oil, carbon deposits, and build-up from mold surfaces. This non-flammable mold cleaner contains no trichloroethylene and quickly removes difficult mold build-up, leaving no residue after drying. Removes finger marks and displaces moisture.

Non-Flammable Cleaner for Molds has many uses in the molding industry where a strong cleaner is needed for high temperature mold cleaning.

A497 Non-Flammable Cleaner For Molds

ADVANTAGES:

- Non-flammable mold cleaner.
- Contains NO trichloroethylene or methylene chloride.
- Works fast to remove difficult build-up from molds.
- Cleans and prepares molds before applying rust preventives.
- Contains no chlorinated solvents such as 1,1,1 trichloroethane or methylene chloride.
- Dries fast and leaves no residue.

Uses

Stoner® A497 Non-Flammable Cleaner For Molds is a cleaning agents to remove grease, oil, carbon deposits, and build-up from mold surfaces.

Direction for Use

Recommended Procedure

ALWAYS HOLD CAN UPRIGHT WHEN SPRAYING. Do not turn can upside down or sideways when spraying or propellant alone will vent. If enough propellant is vented, can pressure could be reduced to a point where the can won't spray. Shake well before using. Align the spray head with the black dot on valve rim. Hold can upright and 8 to 10 inches from surface to be sprayed. Apply as needed to loosen and flush away contaminants. Difficult areas may require a second application or

scrubbing with brush or towel. Allow excess to air dry or wipe dry with towel. Do not spray on polycarbonate plastics or other solvent-sensitive materials. Always test on materials before using.

Storage and Handling

Do not puncture or incinerate container. Do not expose container to heat or store at temperatures above 120 °F. This product is classified as nonflammable by ASTM testing method D3065-01. However, contents of this container can ignite under certain circumstances. Keep container away from and do not use near sparks, open flame, heated surfaces, or other ignition sources.

Packaging

Stoner® A497 Non-Flammable Cleaner For Molds

is available in:

- 12 can case of 12 oz cans Part # A497
- 5-gallon pails & 55-gallon drum Part # L497
